

# Every Planet We Reach Is Dead

Gorillaz

I lost my leg like I lost my way  
So no loose sounds  
Nothing to see me down  
How are we going to work this out?

Dreams aren't bad, I had turned back  
I love the gun  
But God only knows it's  
Getting hard to see the sun coming through  
I love you...  
But what are we going to do?

Picture on the dreamer  
I'll take you deeper  
Down to the sleepy glow  
Time is a low..  
Don't you know?  
What are we going to do?

When you go back  
All the second selfless days  
You're in love with him  
I want to see you again  
I love you...  
But what are we going to do?
