Just falling out not making much of anything at all
All you could hide from what's there in the past of it

Just falling out not making much of anything at all
All you could hide from what's there in the past of it

Just falling out
All you can hide

All you can hide...

Just falling out
All you can hide

Hongkongaton!

All you can hide...

Just falling out (much of anything at all)
All you can hide (from what's there in the past of it)

Just falling out (much of anything at all)
All you can hide (from what's there in the past of it)
