

Little Pink Plastic Bags

Gorillaz

Hurry the bottle, mama
It's grapefruit wine
Kick off your high heeled sneakers
It's party time

The girls don't seem to care what's on
As long as they play till dawn
Nothing but blues and Elvis
And somebody else's favorite song

Give us some funk-ed-up music
She treats you nice
Feed us some hungry reggae
She loves you twice

The girls don't seem to care tonight
As long as the mood is right
No static at all, no static at all
FM--no static at all

Give us some funk-ed-up music
She treats you nice
Feed us some hungry reggae
She loves you twice

The girls don't seem to care tonight
As long as the mood is right
No static at all, no static at all
FM--no static at all
