Gorillaz

Some kind of nature  
Some kind of soul  
Some kind of mixture  
Some kind of gold  
Some kind of majesty

Some kind of soul  
Some kind of mixture  
Some kind of gold  
Some kind of majesty  
Some chemical load

Some kind of nature (some kind of nature, some kind of soul)  
Comes from one within us  
Oh, Lord, forgive me (some kind of mixture, some kind of gold)

Some kind of metal made up from glue  
Some kind of plastic I could wrap around you  
They need the eat, and they-they wear phony clothes

Some kind of nature (some kind of nature, some kind of soul)  
Comes from one within us  
Oh, Lord, forgive me (some kind of mixture, some kind of gold)  
It's got to come and find us  
All we are is dust
