Gorillaz

Anyway is so complicated for me, twilight
Waiting on the planet to turn to me, dark side
If loving you's a felony now, then I'm a renegade, riding
Trying to find tomorrow and ease in
'Til you dive in

Why you rolling waves over me now, that's all I need, dreaming
Waiting on a lady, come find me, be forgiven
I'll be a regular guy for you, I never said I'd do that
Why you looking so beautiful to me now when you're so sad?

I will always think about you
That's why I'm calling you back
On my way through

I wanna stay with you for a long time, I wanna be starlight
I wanna see it lay in your eyes when I'm leaving with your love

I will always think about you
That's why I'm calling you back
I gotta run soon

I will always think about you
That's why I'm calling you back
On my way through
