Obsequium Minaris

We are legions Hidden through the ages

Secret among secret, embedded in masses, we're acting Manipulating, killing by necessity, we're protecting

Soracle's prophecy Adam and Edaenia The next humanity Your future

From the first men From the earliest civilizations

With the passing time, we've adapted ourselves To depend on no one, here's our principle Technology, economy, politics, ecology Dominate all domains, here is our strength

Obsequium Minaris Soracle's legions Chosen among the chosen Guardians of the prohecy Obsequium Minaris Soracle's legions Chosen among the chosen Guarantor of Edaenia

We've fought barbarians, warriors, zealots Whatever the means, Adam has been protected We've defeated peoples, kingdoms, religions Whatever the means, the cave has remained a secret

Overpopulation, misery Disfigured environment
