

Nasty Virgin

Gosia Andrzejewicz

Nasty virgin, nasty virgin
I see that you're watching me
You don't even know my name
So call me
Nasty virgin
You can't stop looking my eyes
Baby boy you can be my sun
You're so damn fine

Say hello to me
I'm the girl of all your dreams
My exotic movements
Make you wanna scream

Nasty virgin

You're an arabic man
Come to me so quickly and whisper
...

Touch me with your eyes
I'd do anything I can to make you mine
You're a nasty guy

Say hello to me
I'm the girl of all your dreams
My exotic movements
Make you wanna scream

Hey boy
Don't care what people say
It's party time so scream my name
Nasty virgin, nasty vergin, yeah
Don't care what people say
It's party time so scream my name
Yesss!
Don't care what people say
It's party time so scream my name
