

Words

Gosia Andrzejewicz

Much sweeter than the songbirds call
The desert's rain doesn't have the warmth
of all the words that you used for loving me, baby

Embraced by them I built my dreams
they kept me safe, far away from fears
But then your words melted in my memory, yeah yeah

I remember my reflection
in your eyes a clear perfection
How can I forget you?
When you've been the one
that I could turn to
If I could I'd change this ending
cause I'm tired of pretending
I want back our story
Let me hear your voice
that whispers just to me.

It's been a year and I'm alone
But destiny cannot be undone
It's hard to greet each
and every morning, hey hey!
Yet hopefully some things remain
The thought of you never fades away
and all the words that you used
for loving me, baby

I remember my reflection
in your eyes a clear perfection
How can I forget you?
When you've been the one
that I could turn to
If I could I'd change this ending
cause I'm tired of pretending
I want back our story
Let me hear your voice
that whispers just to me.

na na na na na na
na na na na na na

Forever.....

If I could I'd change this ending
cause I'm tired of pretending
I want back our story
Let me hear your voice
that whispers just to me.
If I could I'd change this ending
cause I'm tired of pretending
I want back our story
Let me hear your voice
that whispers just to me.
Just to me..
