

# Desolation Descending

## Gospel of the Horns

Whiplash comes easy  
To the spineless and the weak  
Envenom the foundations  
Deceitful and false...  
Blood shall be spilt

The morbid fascination to the chimes of the knell  
Summoned by the charm of a soul that is blameless  
Enriched monuments of descending virtues  
To become embroiled succumbing to temptation

Whiplash comes easy  
To the spineless and the weak  
Envenom the foundations  
Deceitful and false

Life or death... it's a flash of the blade, a duel of the sword  
Life or death  
Life or death... it's a flash of the blade  
Life or death
