I beg your pardon  
Were you talking to me?  
How many more times are you gonna tell your sorry  
Before you take me up in my misery  
I need more than apology

Well, I guess I did  
Well, I guess I won't  
Well, I guess that I could now  
But I guess I won't

Oh, What's goin' on?  
Is that the way you wanna be  
What's goin' on?  
So tell me

I beg your pardon  
Were you talking to me?  
How many more times are you gonna tell your sorry  
Before you take me up in my misery  
I need more than an apology

Well, I guess I did  
Well, I guess I won't now  
Well, I guess that I should  
Well, I guess that I won't

Oh, What's goin' on?  
Is that the way you wanna be  
What's goin' on?  
So tell me
