In the evening, in the evening  
things are changing there's start changing  
we're not missing we're not listening  
what I'm hearing and what I'm hearing  
You don't want it you can take it  
well it's my heart you'll break it  
i'm asking i am asking  
or you will be mine for money

you didn't hear that from me  
you'd better have me believe  
anything you say  
for you to get your way
