In the evening, in the evening
things are changing there's start changing
we're not missing we're not listening
what I'm hearing and what I'm hearing
You don't want it you can take it
well it's my heart you'll break it
i'm asking i am asking
or you will be mine for money

you didn't hear that from me
you'd better have me believe
anything you say
for you to get your way

In the evening, in the evening

we're not missing we're not listening
what I'm hearing and what I'm hearing
