

## Holy Water

Gossip

Holy water  
Smoke & mirrors  
Boiling water  
You'll disappear  
I think by now i know  
What evil really is  
As pure as the snow  
The taste on yr lips  
By a small fires glow  
When we were only kids  
Someday everyone will know  
Exactly what you did  
Holy water  
Smoke & mirrors  
Boiling water  
You'll disappear  
Someday everyone will hear  
Then they will know who you are  
You'll have to bare the fear  
Try to escape in the dark  
Holy water  
Escape in the dark
