

Light Light Sleep

Gossip

I've got trouble
Down deep
I've got trouble
Down deep
We've got trouble
You're losing sleep
We've got trouble
Down deep
If you don't do nothing else
Than take care of your self
If you don't do nothing else
Cause we don't break easy
Yeah all this trouble
Yeah deep
Yeah this trouble
Down deep
I've got trouble
Yeah I'm losing sleep
Yeah this trouble
Down deep
If you don't do nothing else
Than take care of your self
If you don't do nothing else
Cause we don't break easy

He's gotta be
He's gotta be
He's gotta know
He's gotta be
He's gotta know
Gotta know
He's gotta be
He's gotta be
He's gotta be
He's gotta be
He's gotta be
Gotta be
He's gotta know
He's gotta know
Gotta know
Ohh gotta know
Gotta know
Gotta be
Gotta know
Gotta be
