Oh, oh, oh  
Evolution, made it my mission  
To win the conflict...  
Evolution, be my accomplice...

Relax, it's only dreaming fast  
Give away to feelings  
No, you never escape  
Now it's over when you wake up  
So I know that it was  
In the picture perfect world  
You could be my more than before  
Said it was, I may be stronger!

The new beginning,  
My head is spinning  
The perfect start, and oh, oh...  
A... a new religion  
I found your heart, oh, oh, oh

Relax, it's only dreaming fast  
Give away to feelings

Don't get mad, you did your best,  
And now we're in the past to stay  
Till I know that it was
