

## Where the Girls Are

Gossip

That's where I'll be  
Where the girls are  
That's where I'll be

Could I give it to your sister  
Girl I love you like no other  
I'll be your mistress, be your mistress  
Girl, I'll give it to your mother

When I'm right, I say I'm right  
If I'm wrong, please tell me I'm wrong  
Come on home with me tonight  
Let me love you all night long
