Angel

Gotthard

I need a woman, that holds on
that gives me time to think it over
time for movin' on
that's all i want, right now, by me

I wanna meet a real heart, a true one
too many words, too many lies
bring confusion in my mind
i gotta break out
'cause i can't stand it anymore, no more

More that i want, more that i need
more that i want, more that i bleed
can anybody find me an

Angel , angel, i'm crying out for you tonight
oh angel, are you there or in my mind
i want you to believe me, please take me there

Sometimes i dream, and i wish to have
a little hand to carry me
far away from what i see
if i only could have you, right now, by me

I wanna face a real world, a true one
too many words, too many lies
bring confusions in my mind
i gotta break out
'cause i can't stand it anymore, no more

More that i want, more that i need
more that i want, more that i bleed
can anybody find me an

Angel, angel, i'm crying out for you tonight
oh angel, are you there or in my mind
i want you to believe me,... right now

Angel on my mind, oh
you're so hard to find
