

# First Time in a Long Time

Gotthard

Time to call another girl in town  
Time to take all of your pictures down  
It's time to let them know, I'm still around

Wish I had the words to say it right,  
The show is over, let's just say goodnight  
And all the feelings that were locked inside  
Are free

Cause it's the  
First time in a long time, I'm here on my own  
And I'm finding reasons, to carry on strong  
There's no easy way to leave it all behind  
Cause it's the  
First time in a long time  
I'll be all right

I might just take a ride on the open sea  
A million miles from where I used to be  
With every step I take, I do believe.. oh

I see my whole world from the inside out  
One more reason not to cry out loud  
A new beginning and I'll find my way somehow

Cause it's the  
First time in a long time, I'm here on my own  
And I'm finding reasons, to carry on strong  
There's no easy way to leave it all behind  
Cause it's the  
First time in a long time  
I'll be all right

I could tell you my story  
'bout the hell I've been through, oh yeah  
I've been praying for the answers  
And all that really matters  
Is coming out of the blue

Cause it's the  
First time in a long time, I'm here on my own  
And I'm finding reasons, to carry on strong  
There's no easy way to leave it all behind  
Cause it's the  
First time in a long time  
It's the, first time in a long time  
It's the, first time in a long time  
But I'll be all right,  
I'll be all right

Time to call another girl in town..
