

# Gone Too Far

Gotthard

You wrapped me 'round your finger,  
You got me under your spell,  
With every new day is gone and  
Almost too closer to hear.

So let me tell you my story  
And I won't tell you no lies.  
I've lost my glimpse of reason  
In the arms of an angel's disguise.

And every time you come my way,  
You read my lips, the words I say.  
For you just crossed the point of no return!

You've gone too far!  
Yes, you've gone too far!  
You can turn back time, draw the line, to see where you are:  
You've gone too far!

Ahh ah aaah

You and my little princess:  
Guess I was too blind to see!  
There's something I can't get over...  
How could this happen to me?

Within you're using and abusing  
You cut me down to the bone.  
Is someone else staying realize for  
I'll find the way out of my own

And every time you come my way,  
You read my lips, the words I say.  
For you just crossed the point of no return!

You've gone too far!  
Yes, you've gone too far!  
You can turn back time, draw the line, to see where you are:

You've gone too far!  
Yes, you've gone too far!  
I do know your game, I won't take the blame any longer now.  
You've gone too far!

Ahh ah aaah

Ahh ah aaah
