

# Heaven

Gotthard

Show me the way to your heart  
I am searching  
But I'm driftin' apart

Everything's gone far away  
Here we're standing now  
With no words left to say

Gave you power  
Fell on the floor  
Silence, never thought you hurt so bad  
In the darkest hour  
Slept at your door  
Wishing all would be just like before

Let me find my piece of heaven  
Let me find my way back home  
I want this love to last forever  
And back together, rise once again  
From the asher to the sky

Has someone taken my place  
Am I fallin'  
Was it our last embrace

Now you're asking me for some more time  
I am trying to survive  
Victim of my desire

I keep on runnin'  
I'm up all night  
Times, I never thought they hurt so bad  
In the darkest hour  
Stand by your door  
Wishing all would be just like before

Cause I need it so bad...
