

# Let It Be

Gotthard

Don't know who's to blame  
Don't know who was wrong  
Love has died too soon  
After all had just begun  
Something in your eyes  
Tells me you still care  
Oh baby I swear

Deep inside my heart  
Deep inside my soul  
Something tells me no, I can't let you go  
Saw it in your eyes  
Last time when we met  
I will never forget

How can I say  
Our love is gonna last forever  
How can you go  
With this empty broken heart  
Of mine

Let it be, let it be  
Love's like a gun on me  
Let it be, let it be  
Like a bag of broken glass  
I was killed in the name of love

You never see it comin'  
Doesn't tell you when it goes  
Think it's gettin' near  
Suddenly it's gone  
Dirty little game  
Don't even know your name  
You just wouldn't stay

Did you ever worried  
Askin' maybe please  
Knew you couldn't take it  
I would get on my knees  
Searching for way out  
But there ain't no doubt  
It's like going blind  
...get down on my knees for you

How can you say  
You love me but it's better this way  
If you don't need it anymore  
I'm drowning down like never before
