

## Movin' On

Gotthard

I got a devil in me  
Lord it's hard to make believe  
It's shakin' in me babe  
I feel it running, kicking,  
He's gotta break free

Movin' on, movin' on, movin' on,  
From time to time  
Movin' on, movin' on, movin' on,  
From time to time

Ya know that it's so easy  
To loose control  
It gets your whole body n'soul  
Some would give it  
Some would not  
I juess I'm just the kinda guy  
Who can't stop

Movin' on, movin' on, movin' on,  
From time to time  
Movin' on, movin' on, movin' on,  
From time to time

I got you now  
And I'm under your skin  
I got you now  
Let no other come in  
I got you now  
I got you now  
I got you now, I swear I'll never let go

Movin' on, movin' on, movin' on,  
From time to time  
Movin' on, movin' on, movin' on,  
From time to time
