

She Goes Down

Gotthard

She Was The Real Black Sheep Around The County Line
Everybody's Toy Quite All The Time
They Took It For Granted, She Could'nt Say No
Now She's Foolin' Around With Every Heart And Soul

Sweet And Nasty, She Knows What I Like, Yeah
She's Got The Devil, The Devil Inside
Addicted To Her Mind

She Goes Down
Down, Down, Down
She Goes Down
Suddenly I'm Loosing The Ground

She's Got An Eye On You, Then She's Right Beside
Moves A Little Closer, She's Got Nothing To Hide
Tell Me No Stories, Tell Me No Lies
Let Me Be The One Who Loves And Treats You Right

Sweet And Nasty, She Knows What I Like, She Does
She's Got The Devil, The Devil Inside
Addicted To Her Mind

She Goes Down
Down, Down, Down
She Goes Down
Everybody's Loosing The Ground

(She's Got The Rhythm In Her Moves)

(And She Knows What I Like)
