

# Dig Your Own Hole

Gotye

And you know it's the wrong way round  
Still you can't say no  
Ever playing upon your mind  
But you won't say why

(So shut up!)  
Unless you're ready to leave it  
(Or make up your mind)  
But you need it so much  
(Do you really believe in it?)  
Yes I do  
From time to time

In the end  
You dig yourself the hole you're in  
When you don't know what you want  
You just repeat yourself again  
In the end  
You just repeat yourself again  
When you don't know who you are  
You dig yourself the hole you're in

(Don't worry)  
It's only in your mind  
(Don't worry)  
But I do  
From time to time

You just repeat yourself again  
(Don't worry)  
You just repeat yourself again  
(Don't worry)  
You just repeat yourself again  
(Don't worry)  
You just repeat yourself again

Still it's the wrong way round  
And you won't say no  
Ever playing upon your mind  
But you won't say why

(So shut up!)  
Unless you're ready to leave it  
(Or make up your mind)  
But you need it so much  
(Do you really believe in it?)  
Yes I do, I do, this time

In the end  
You dig yourself the hole you're in  
When you don't know what you want  
You just repeat yourself again  
In the end  
You just repeat yourself again  
When you don't know who you are  
You dig yourself the hole you're in

In the end  
(Unless you're ready to leave it)  
You just repeat yourself again  
(But you don't know you need it)  
When you don't know who you are  
(Do you really believe in it?)  
You dig yourself the hole you're in
