

# Bad Man Walking

Gov't Mule

Hey can I tell you a little story  
About a bad man looking for glory  
Oh he wasn't such a bad man  
But he kindly let his fame seep into his brain

Hey can I tell you a little secret  
You see the bad man he was a lot like me  
Oh he had a little wisdom  
But he traded it away for a fifteen-minute reign

Bad man walking  
Bad man  
Bad tongue talking

Hey can you spare a little sympathy  
'Cause right now I think it's what I really need  
Oh do you think you really know yourself  
Are you sure what you might do if the choice was up to you

Bad man walking  
Bad man  
Bad tongue talking

Bad man walking  
Bad man  
Bad tongue talking

Bad man walking  
Bad man  
Bad tongue talking
