

She Said, She Said

Gov't Mule

She said, "I know what it's like to be dead
I know how it feels to be sad
And you're making me feel like I'm never been born"

Well, I said, "Who put all these things in your head?
Things that are making me mad
And it's making me feel like I'm never been born"

Well, she said, "You don't understand what I said"
I said, "Oh, no, no, you're wrong, when I was a boy
Everything was right, everything was right"

I said, "Even though you know what you know
I believe it's time for me to leave
'Cause you're making me feel like I'm never been born"

Well, she said, "You don't understand what I said"
I said, "Oh, no, no, you're wrong, when I was a boy
Everything was right, everything was right"

I said, "Even though you know what you know
I do believe it's time for me to leave
'Cause you're making me feel like I'm never been born"

Well, you're making me feel like I'm never been born
Well, you're making me feel like I'm never been born
