

## Fun And Games

### Government Issue

School added to the distress  
things I wanted to express  
somewhere there must be an outlet  
is this as far as it'll get?

It used to be  
yeah, it used to be  
fun and games  
but not for me  
what happened to the fun?  
Depression must be my theme  
the time I'm most happy  
I'm scared to call you friend  
you say it draws me in
