

## Puppet On A String

Government Issue

I never thought that I'd fall  
I never thought I'd be so happy  
I never thought we'd fall apart  
I guess that it had to happen

I'm a puppet on a string  
I can't help thinking about you  
I'm a puppet on a string  
I don't know how I'll live without you

Now I find myself so sad  
Hard to deal with all the pain  
I say I'll never do it again  
But I keep on searching for my dream girl
