Rock'n Roll Bullshit

Government Issue

Now I;ve got it I'm insane
Van Halen gives me a pain
And Supertramp gives me a cramp
And I don't wanna go to camp
And I don't wanna listen to it
You don;t wanna dance to it
We don't wanna hear it
Rock & Roll Bullshit
I used to listen to the Clash
Now they suck like all the trash
The Ramones used to be a hit
Now they're just a pile of shit
