Government Issue

Your eyes are seeing your way
Words I say they get changed
Every time that I say something
It comes out your own way

Joking, joking it's a funny game
Tell me why no one laughing
Laughing, laughing I'm the only one
Twisted views, twisted views
It doesn't have to be this way
It doesn't have to be so cruel
You can be happy for a change
It's up to you to make the rules
