

## Twisted Views

Government Issue

Your eyes are seeing your way  
Words I say they get changed  
Every time that I say something  
It comes out your own way

Joking, joking it's a funny game  
Tell me why no one laughing  
Laughing, laughing I'm the only one  
Twisted views, twisted views  
It doesn't have to be this way  
It doesn't have to be so cruel  
You can be happy for a change  
It's up to you to make the rules
