

# Evilmainya

Grace Jones

Evilmania, I'm gonna rule your world,  
Gonna' tease you and squeeze you,  
Till' you drop. Opps!

I can hypnotise, hit you right between the eyes,  
My poison bites, put out the lights, and then you stop!

(She's so full of evilmania, like the queen of Transylvania).  
Yes, I'm the queen, the queen of evilmania! (laughs)

With a mission to destroy, I'll bend you like a toy,  
I'll kiss you, hiss you, miss you, when your gone! (laughs)  
I can stroke you with my tale, but my mercy's not for sale,  
See how your queer eyes shine, you world is mine!

(She's so full of evilmania) yes! (like the queen of Transylvania).

Yes I'm the queen, yes I'm the queen, the queen of evilmania!  
Yes I'm the queen, yes I'm the queen, the queen of evilmania!  
Yes I'm the queen, yes I'm the queen, the queen of evilmania! (laughs)
