

She's Lost Control

Grace Jones

Confusion in her eyes that says it all
I'm lost control
And she's clinging to the nearest passer by
I'm lost control
And she gave away the secret of her past
And said, I've lost control
And a voice that told her when and where to act
She said, I've lost control
And she turned to me and took me by the hand
And said, I've lost control
and how I'll never know just why or understand
And said, I've lost control
And she screamed out kicking on her side
And said, I've lost control, again?
And seized up on the floor, I thought she'd die
And said, I've lost control, again?
I'm lost control, I'm lost control, again
I'm lost control, I'm lost control, again
I'm lost control, again, I'm lost control, again
Well, I had to phone her friend to state my case
And say she's lost control, again
And she showed up all the errors and mistakes
And said, I'm lost control, again?
I'm lost control, I'm lost control, again
I'm lost control, I'm lost control, again
I'm lost control, I'm lost control, again
I'm lost control, I'm lost control, again
And she expressed herself in many different ways
Until she lost control
And walked upon the edge of no escape
And laughed, I've lost control
I'm lost control, I'm lost control, again
I'm lost control, I'm lost control, again
I'm lost control, again, I'm lost control, again
