

Cigarette

Graham Colton Band

You, you gotta be the one, who's in on the action
I'm wondering when we're leaving,
You gotta meet everyone before it's all over
Why? They're gonna be here next weekend
And you gotta be something else
Cause we all got older
You, you're gonna be someone

You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget

You gotta be the one to get a reaction
I don't want anyone to see me
And you gotta be something else
Cause we all got older
And you, you're gonna be someone

You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget
(2x)

I'll stay
You go
I'm fine
With or without you
(2x)

You make me wanna smoke a cigarette
You make me wanna be someone else
You make me wanna be somebody you would leave
And I could forget
(2x)
