

# Everything You Are

Graham Colton

You were standing with who you came with  
You told me your name, it was short for Elizabeth  
You don't drink 'cause you can't stand the taste  
You talk like a boy but you still like a little chase

I know I can try but you never would have changed  
I know all my life will never be the same  
I love everything you are  
Yeah, I love everything you are  
Yeah, I love everything you are

You move like a stone when you walk in  
Want me to keep you warm, but don't answer to anyone  
Then you want to be swept off your feet  
Want me to drive, but you never take a backseat

Oh, I know I can try but you never would have changed  
I know that all my life will never be the same  
'Cause I love everything you are  
I want you to know  
I love everything you are  
And I can't let go  
And I love everything you are  
I love everything you are

When you wake up and your hair is all a mess  
Wearing the bed sheet like it's a white dress

'Cause I love everything you are  
I want you to know  
I love everything you are  
I want you to know  
I love everything you are  
And I won't let go  
I love everything you are  
I want you to know  
I love everything you are  
You are
