

# All I Wanna Do Iz Listen To Yuz

Graham Coxon

Tell me through your beard the USA is weird, Aah  
Hide your fears with hats and hang out at your flat, Aah  
Don't know what I see but your song sounds good to me, Aah  
All I wanna do iz listen to yuz  
All I wanna do iz listen to yuz  
All I wanna do iz listen to yuz

Now I'm not so alone  
Now I'm not so alone

Didn't realize that I was mesmerized, Aah  
Had to fall asleep so I sank down at your feet, Aah  
I ain't got no choice cos i just love your voice, Aah

All I wanna do iz listen to yuz  
All I wanna do iz listen to yuz  
All I wanna do iz listen to yuz

Now I'm not so alone  
Now I'm not so alone  
Lying in my bed I think of stuff you said, Aah  
But I ain't understanding, I'm sonically crash landing, Aah  
I'll give you 50 pounds for every little sound, Aah

All I wanna do iz listen to yuz  
All I wanna do iz listen to yuz  
All I wanna do iz listen to yuz

Now I'm not so alone  
Now I'm not so alone
