

Dead Bees

Graham Coxon

Oh said you suddenly, can you see what is?
Oh are you gonna see? The deed bees
Oh what you want from me & my dulled ear?
Oh what you gonna see?
A dead deer
A dead deer
Oh child you settle down, lest he comes back
Oh do you wanna see a dead rat?
No he ain't comin back, he's stretchin on a rack
Oh have you ever seen?
A dead man
A dead man
No, you go in front of me, for to breathe the air
Oh are you gonna see, the dead mare
Come now don't you say make a sound, don't you say a word
Oh you wanna see?
The dead bird
A dead bird
