

See A Better Day

Graham Coxon

Baby baby babe what can I do?
I'm so in love with you
I know you won't believe me but it's true
I'm so in love with you
I'm so in love with you
Just the way the sunlight hits your eyes
Makes me feel alive
My body and my soul have been revived
I feel like I can fly
I feel like I can fly
I can feel you breathe from miles away
It helps me see a better day
A voice inside is telling me to stay
I'm falling deeper every day
I'm falling deeper every day
Something in your smile that made me see
A place I long to be
I look at you and I can't quite believe
That you could be with me
That you could be with me
I can feel you breathe from miles away
It helps me see a better day
A voice inside is telling me to stay
I'm falling deeper every day
I'm falling deeper every day
Gotta call you on the 'phone
'cause I ain't feeling right
I can't stand to be alone
On these dark dark nights
And you're the only girl
Who can shake my blues away
With your miracle smile
And the things that you say
Yeah
Baby baby babe what can I do?
I'm so in love with you
I know you won't believe me but it's true
I'm so in love with you
I'm so in love with you
