

Keep Away From Me

Graham Nash

I started out to get your full attention
But I just have to say
There's just one thing that I forgot to mention
You'd better stay away

Keep away from me
Keep away from me
Keep away from me
Oh, keep away from me

You always brag about your latest venture
How much you're gonna make
I'm not opposed to making lots of money
But how much does it take, ooh

Keep away from me
Keep away from me
Keep away from me
Oh, keep away from me

I don't want to hear about your latest journey
Or where you're gonna be
I don't want to look at all your family photos
It's all too much for me

Keep away from me
Keep away from me
Keep, keep, keep away from me
Oh, keep away from me

Ooh, keep away from me
Oh, keep away from me
Keep, keep, keep away from me
I tell you one more time, keep away from me

Keep away from me
Keep away from me
Keep away from me
Keep, keep, keep, keep, keep away from me

Don't wanna see you
Don't wanna hear you, ooh
