

There's Only One

Graham Nash

We can heed the call
We can trip and fall
We can read the scrawl on the garden wall
Let the ashes fall
Upon us all or not at all
It's in us all

Can we say it's cool
From a heated pool
When we give a jewel to a starving fool
And if we can't be cruel
Then let us take the tool
And change the rule, change the rule

When we've all begun to see the world we're on
Don't you see there's only one
Then we'll all begin to see the skin we're in
It's just the same
There's only one
There's only one

Do we have the grace to begin the race
In another place
Face to face
Do we stand the pace or do we let the case go to
Waste, got to waste, go to waste
Do you like the taste
