

# We Can Change the World

Graham Nash

We can change the world  
We can change the world  
(We can change the world)  
We can change the world  
(We can change the world)  
(Yes, we can)  
We can change the world  
(We can change the world)

We can change the world  
(We can change the world)  
We can change the world  
We can change the world  
We can change
