

I Don't Know

Graham Parker

G D G see

I don't know what's behind that veil I ask questions to no avail

G D G see

I don't know why there's empty shelves Empty books and silent bells

G D G see G D G see

I don't know, I don't know, I don't know, I don't know

I don't know why it's not enough To feel moments of mighty love
I can't think why I'm not fulfilled I don't know why my heart is chilled

I don't know why I'm all alone Fingers stuck to a telephone
Photographs of you and me I don't know these people I see

Balls bouncing down deserted streets Shadows boxing on empty seats

I don't know why it's not enough To feel moments of mighty love
