## I'm Gonna Tear Your Playhouse Down

**Graham Parker** 

You think you've got it all set up, You think you've got a perfect plan But charm any man you see,

And play with everything one that you can But I've got news for you baby,
I hope it don't hit you too hard
One of these days when you're at play,
I'm gonna catch you off guard

I'm gonna tear your playhouse down, pretty soon
I'm gonna tear your playhouse down, room by room

You think love is just fun and games, trying to be a playgirl All you do is run around, run around, putting hearts all in a w hirl

You been playing my heart to every daddy around What you gonna say when you look up one day and see your playho use tumblin down
