E a e a
I'm not a page in history not something that bold
I'm not the greatest mystery that was ever told
I may not be who you wanna spend a whole life with alone
        g#m f#m
I'm not that fascinating with features carved like stone
F#m q#m aa b
But I'll tell you everything before you run away hey
G\#mab ea / e / a
I'll tell you what I ami'm just your man
I'm not a hero or even someone who does good
I'm not made of iron or steel or stone or gold or bronze or woo
I may not notice the little things sometimes I can't see
But I'm not the kind of fool I'm made out to be
      q#m a a b
But I love you yes I love you you can understand hey
G#m a b
          еа
Then you'll know what I am, I'm just your man
B q#m7
      c#m7
I'm just your ma a an just your man that's all
    g#m7 c#m7 b a
And if I can't be that I'm no man at all
I'm not a burnin comet that fell out of the sky
   a q#m f#m
I know I'm just like the next clown when I get too high
But I love you yes I love you and if you understand
Then you'll know what I am. I'm just your man
