

It Takes A Village Idiot

Graham Parker

I got my dunce's cap and cardboard sword
And I'm droolin' as you talk to me
You say I should be in a mental ward
But That might seem like home to me

Cos I don't get it I don't understand
And I think love's overrated
Why can't a woman be more like a man
Instead of complicated

Chorus

It takes a village idiot
It takes the class clown
And his whole crew
Well there's one idiot
In this village girl
And I guess it isn't you

You Wanna be listened to
And held and told
The things that really matter
But it's so subtle I just can't grasp hold
And all I know is idle chatter
You say it's simple but i'm simple too
And I don't tell you this with pride
But when I put together two and two
I keep comin' up with five

Chorus

Do better than your best
This is not a test
That's what you keep tellin' me
Stop and think a bit
Only an idiot would
Look at a forest and
Just see a tree

Chorus
