I've got a lady doctor Oh there ain't nothing wrong with me.

G C G C

I went in with a heart burn into the surgery

To my surprise two pretty eyes was running up and down me.

Said now be a patient patient stretch right out on that couch

Help yourself to the pills cure your illls

Bb F G

I'm never gonna square it on out.

Well all the cats said go see her it's only just down the road

You go in with pneumonia come out with just a heavy cold

She won't give you no jargon no medical how-do-you-do

Well just get right down under that stethoscope

Baby let that lady mess on with you.

Ain't nothing wrong with

Ain't nothing wrong with me
