

# The Beating Of Another Heart

Graham Parker

Pre>intro g em bm g c d

G d  
She comes from the hardest town  
Em bm c  
They build you up to let you down and  
D em g bm d  
Leave you with an armour hard as steel

G d  
It's not the chaos or the heat  
Em bm c  
Or the noises from the street but  
D  
Something inside she has to beat that

Em bm em bm  
Shoots out a nerve causes judgements to swerve  
C g d  
And makes her feel that something must be wrong

Em bm  
She'll attempt to resist  
C gd  
And pretend it don't exist when it does

C d  
But if ever her defence drop  
C d  
Love takes a shot pop  
Cd  
Baby you can't stop

G  
The beating of another heart  
Emc  
The beating of another heart yeah  
D em dg  
Sometimes she needs the beating of another heart

Em bm g c d  
(just chords)

G d  
All the steps we seem to take  
Em bm c d  
Are sometimes stairways to escape from  
Em g bm d  
All the things that were supposed to come

G d  
And there's a threat when letting go  
Em bm c  
Showing things she'll never show but  
D  
I won't give in now I know

Em bmem bm  
As I ask friend how on earth can I send  
C gd  
A little bit of me to her

Em bm  
She'll attempt to resist  
C g d  
And pretend I don't exist when I do

C d  
But if ever her defence drop  
C d  
Love takes a shot pop  
C d  
Baby you can't stop

G  
The beating of another heart
