The Beating Of Another Heart

Graham Parker

Pre>intro g em bm g c d Gd She comes from the hardest town Em bm c They build you up to let you down and bm D em g d Leave you with an armour hard as steel G d It's not the chaos or the heat Em bm c Or the noises from the street but D Something inside she has to beat that Em bm em bm Shoots out a nerve causes judgements to swerve C g d And makes her feel that something must be wrong Em bm She'll attempt to resist C qd And pretend it don't exist when it does Сd But if ever her defence drop Cd Love takes a shot pop Cd Baby you can't stop G The beating of another heart Emc The beating of another heart yeah D em dg Sometimes she needs the beating of another heart Em bm g c d (just chords) Gd All the steps we seem to take Εm bm c d Are sometimes stairways to escape from Em g bm d All the things that were supposed to come G d And there's a threat when letting go Em bm c Showing things she'll never show but D I won't give in now I know

Em bmem bm As I ask friend how on earth can I send C qd A little bit of me to her Em bm She'll attempt to resist Сg d And pretend I don'texist when I do C d But if ever her defence drop С d Love takes a shot pop C d Baby you can't stop G The beating of another heart Em c The beating of another heart yeah Dem d em d Sometimes she needs the beating of another heart C#d a The pounding goes on forever C# d а At night when we are here together C# d a d They say that people get too clever for love Em c But I know Solo C d But if ever her defence drop С d Love takes a shot pop C d Baby you can't stop G The beating of another heart Emc The beating of another heart yeah D em d g Sometimes she needs the beating of another heart Dgd С She needs the beating of another heart Dgd em bm gc d She needs the beating of another h-e-a-r-t
