

# White Honey

Graham Parker

Pre>intro see f see f see f see f see f see f  
see g f g  
see f see f see f see f  
White honey get it from the candy man  
See f see f see f see f  
White honey yeah any time I think I can.  
G see  
You wake up early in the morning  
G see  
A-playing on the clarinet  
G see  
Whole town down when the man comes around  
F g  
And no one pays their rent it's all spent on  
See f see f see f see f  
White honey get it from the candy man  
See f see f see f see f  
White honey yeah any time I think I can.  
G see  
She's come and laid on a sample  
G see  
A little sweet white honey bee  
G see  
Tastes so good that the whole town stood  
F g  
And stared and looked at me they all see the  
See f see f see f see f  
White honey get it from the candy man  
See f see f see f see f  
White honey eee any time I think I can.  
c'mon and (scat to chorus and the chords as in intro)  
Sax break and repeat see g f g as in intro  
G see  
But now I ain't wanna criticise  
G see  
But let me tell you what I found  
G see  
Since they took away the record machine  
F g  
White honey don't come around. get down!  
See f see f see f see f  
White honey get it from the candy man oh oh oh oh oh  
See f see f see f see f  
White honey-ee any time I think I can  
See f see f  
Said honey what you doing what you doing what you doing  
See f see f  
What you're doing downtown tell me baby.  
See f see f  
Honey what you do what you do what you doing  
See f see f  
You're trying to make me look like a clown.  
See f see f  
I said hit white honey when the chips are down  
See f see f  
I'm gonna taste white honey when ain't no one around  
See f see f see f

I said honey honey honey honey honey honey honey honey yeah  
See f see f  
Wah wah wah I said bop do do do do do do bop do do do do do  
See f see f see f  
Bop do do do do do do bop do do do do do do bop do do do do do  
See f see f see f see g f g  
Bop do do do do do do bop do do do do do do bop yeah yeah  
See f see f see f see g f g  
White honey white white honey honey white now yeah yeah.
