

## Still Feeling Blue

Gram Parsons

Time can pass and time can heal  
But it don't ever pass the way I feel  
You went away a long time ago  
And why you left I never knew  
The lonely days and lonely nights  
Guess the world knows I ain't feelin' right  
And when you're gone the hours pass so slow  
And now I'm still feeling blue

And baby  
Since you've walked out of my life  
I never felt so low  
Can't help but wonder why you had to go

There are many girls but I can't say  
They come and go but still I feel this way  
And ever since the day you said goodbye  
No one treats me like you used to do

I hope you're out and happy now  
Doing up the town cause you know how  
Every time I hear your name I want to die  
And now I'm still feeling blue

All right

And baby  
Since you've walked out of my life  
I never felt so low  
Can't help but wonder why you had to go

I hope you're out and happy now  
Doing up the town cause you know how  
Every time I hear your name I want to die  
And now I'm still feeling blue  
And now I'm still feeling blue
